**BRADEN, VARNER  
& ALDOUS, P.C.**

**REAL WORLD EXPERIENCE** Real world experience is invaluable when analyzing events causing catastrophic injury or death. Bobby Varner has a wealth of life experience, unmatched by most in his profession, which makes him uniquely qualified to handle a broad range of catastrophic personal injury and business injury cases.

Bobby is an experienced heavy equipment operator, coal miner, cattle rancher, farm equipment operator, motorcyclist, and certified rescue diver. He has operated railroad locomotives, worked as an emergency medical technician and CPR instructor, a security guard, a bouncer, an embalmer,

and is an active real estate investor who has owned and operated several businesses. He is also an instrument-rated private pilot, actively flying missions for Angel Flight and the Homeland Security Emergency Air Transportation System.

**HONEST.  
COMPASSIONATE.  
BLESSED.**

**COMPLETE ACCESS FOR CLIENTS** The most common complaint about lawyers is that they are not readily accessible to clients. Bobby takes pride in his availability to clients, handling only a few select cases, and

returning every phone call and every e-mail, every day. In addition to business contact information, every client has access to his home phone, fax, e-mail and mobile numbers.

**CONCENTRATION** Bobby concentrates on catastrophic personal injury and death cases, with an emphasis on aviation, auto, trucking and industrial equipment accidents, industrial explosions, defective products and work-related accidents. He also focuses on commercial litigation, often representing minority shareholders and small companies who have suffered from the abuse of power by larger companies and interests.

Bobby has represented several Fortune 500 companies, and is currently General Counsel for a leading fractional aircraft ownership company.

**QUALIFICATIONS** A graduate of the University of Virginia School of Law, Bobby is admitted to practice in Texas and Virginia, the United States District Court for the Northern, Eastern, Southern and Western Districts of Texas, the U.S. Court of Appeals, Fifth Circuit, and the United States Supreme Court.

He is a member of the Dallas County and American Bar

Associations, the Association of Trial Lawyers of America, the Texas Trial Lawyers Association, the Bar Register of Preeminent Lawyers, the Registry of Outstanding Professionals, the Million Dollar Advocates Forum, the Top Trial Lawyers in America, and the Lawyer Pilots Bar Association. Bobby is an AV peer review rated attorney (the highest possible ratings for legal ability and ethics).
